

Free Application Opportunities at Minnesota Colleges and Universities Updated for 2017-18

As Minnesota high school students think about applying to college, application fees should not be a barrier. Some Minnesota colleges and universities do not charge application fees or they don't charge fees at certain times of the year.

For students from low-income families

Every day of the year, students from families with modest incomes can apply at no charge using a NACAC fee waiver at the University of Minnesota, Minnesota State colleges and universities and the nonprofit colleges that are members of the Minnesota Private College Council. High school counselors and college admission staff can help a student make these arrangements. Eligibility information and the fee waiver form is available at <http://www.nacacnet.org/studentinfo/feewaiver>.

For all students

There are many opportunities for students to apply at no charge at some institutions.

- Some colleges never require an application fee; sometimes this offer is limited to applications submitted online.
- Some colleges waive the application fee for the month of October.
- Some colleges waive the application fee for one week in late October.

Refer to the list below and on the following pages for the ways students can apply without a fee to earn a bachelor's or associate degree at Minnesota's postsecondary institutions.

Colleges and universities that never charge a fee FREE TO ALL STUDENTS ALL YEAR
